

**BOYS & GIRLS CLUB  
OF CHICOPEE**

# 2019 Annual Campaign

*Like a butterfly, children are growing and changing and finding their true colors in life. Let them find their wings so they can fly and soon be on their way.*

We want **YOU** to be a part of the Boys & Girls Club of Chicopee.

Purchase a butterfly and be on our recognition wall. This wall is located in the heart of the Club where kids gather for their snack after school. Members of the community frequent the space on tours and at events that support the Club.

Show Club members who their investors are. Let them know their community is behind them and rooting for their success.
